Dear Supporter,

The Trufant Family Foundation is honored to extend to you an invitation to the **8th Annual Marcus Trufant Charity Bowling & Billiards Classic** on **October 24, 2011**. The tournament will be held at ACME Bowling Billiards and Events, located at 100 Andover Park West in Tukwila WA. 98199.

As a Premium Partner of the Bowling and Billiards Classic, *presented by Gary Milgard Family Foundation*, your company will have the opportunity for prominent logo recognition inside the venue, as well as logo recognition in the event program and on the event t-shirts. Your logo will be displayed for all media, celebrities, athletes and event guest to see. Sponsors are provided with an evening of entertainment, gifts and up close and personal access to celebrities and athletes. In addition the purchase of event spectator passes is a great way to contribute to the foundation programs and allow guest to gain admission to observe the competition and their favorite Seahawk player. There is no better way to entertain your clients and experience an unforgettable night of bowling and billiards competition, while contributing to a great cause. Please see enclosed sponsorship levels for more information.

The Classic is one of the longest running Seahawk player charity events that started with former Seattle Seahawks players Jon Kitna and Shawn Springs. Shawn transferred the classic over to the Seahawks star starting cornerback, Marcus Trufant in 2004. Players look forward to this event each year and enjoy the opportunity to mingle and compete with fans. The positive buzz about the event is the consistent involvement and participation from the Seahawk players and the community each year. The Bowling & Billiards Classic at ACME Bowl will pair corporate and individual sponsors with Seahawk players to raise money for charity. This event, while a significant fundraiser, is also designed to provide an enjoyable and fun evening for attendees, to participate and interact with Seattle Seahawk superstars. Last year, with the help of more than thirty Seattle Seahawk players, Sea Gals, volunteers and participants, the Foundation raised just over \$60,000. This year, we are challenging the community to help us double last year's donations.

When you support the Trufant Family Foundation, you are contributing to the educational future and success of underprivileged youth. Specifically, programs like The Boys and Girls Clubs of the greater Seattle and Tacoma areas, the Marcus Trufant Inspirational Scholarship Programs and the NW Sickle Cell Programs. The Marcus Trufant Charity Bowling & Billiards Classic is the cornerstone of the Foundation's community reinvestment initiatives. This event embraces all levels of support, and we would be pleased to have you join us for a fun and memorable evening. Enclosed is a sponsorship package for you to review and return to us no later than **October 10, 2011**. We encourage you to post or distribute the enclosed flyer in your establishment to help us generate awareness and event participants.

Warm Regards,

Constance Trufant
Executive Director

The Trufant Family Foundation

About the Trufant Family Foundation

The Foundation was established in 2003 from Marcus and his family's desire to give back to the greater Tacoma and Seattle communities which supported him throughout his football career. Since its beginning, the Foundation has steadily increased its yearly charitable contributions through funds raised at various community based events.

The Trufant Family Foundation's mission is to assist in making dreams come true for disadvantaged youth and their families, by supporting community programs, such as the Boys and Girls Clubs, Communities in Schools and The Salvation Army. Our vision and purpose is to be an example of service to others by giving of our time, resources, knowledge and love for the betterment of children, adults, families and the community. We strive to make a difference in someone's life one person at a time and to share his or her success stories with others as a true example that all things are possible, and can be achieved, to those who believe.
