

Trufant Family Foundation

2009 Procurement Letter

Dear Supporter,

The Trufant Family Foundation (TFF) is honored to extend to you an invitation to support and attend the 6th Annual Marcus Trufant Bowling & Billiards Classic on October 12, 2009. The tournament will be held at ACME Bowl in Tukwila, WA.

The Classic is one of the longest running Seahawk player charity events that started with former Seattle Seahawks players Jon Kitna and Shawn Springs. Shawn transferred the classic over to the Seahawks star starting cornerback, Marcus Trufant in 2004. Players look forward to this event each year and enjoy the opportunity to mingle with and compete alongside fans. The positive buzz surrounding the event is the consistent involvement and participation from the Seahawk players and the community each year.

Last year, with the help of more than thirty Seattle Seahawk players, four Sea Gals, and hundreds of volunteers and participants, the foundation raised just over \$60,000. This year, we are challenging the community to help us double last year's proceeds.

We would be grateful if your organization would consider us in your charitable plan for the year 2009 by making a cash donation or donating items to help us with our event. Please complete enclosed procurement form.

With your support of the Foundation, you are contributing to the educational future of underprivileged youth. Specifically, programs such as The Boys and Girls Clubs of the greater Seattle and Tacoma areas, the Marcus Trufant Inspirational Scholarship Program and Mary Bridge Children's Hospital Sickle Cell Programs benefit greatly from your support. The Marcus Trufant Bowling & Billiards Classic is a cornerstone of the Foundation's reinvestment initiative. This event embraces all levels of support, and we would be pleased to have you join us for a fun and memorable evening. Feel free to post the enclosed flyer in your establishment to help us generate awareness and event participants. Visit our website at www.trufantfamilyfoundation.com or call me if you have any questions at **(253) 212-3019**.

Warm Regards,
